Remote Area Lighting System

Now with the release of new HS-LER-18-1500A, we produce the world's only battery powered safety approved remote area light. It's 1500 lumens illuminate hazardous locations, and with two power settings the HS-LER-18-1500A extends burn time up to 10 hrs. of clean even light.
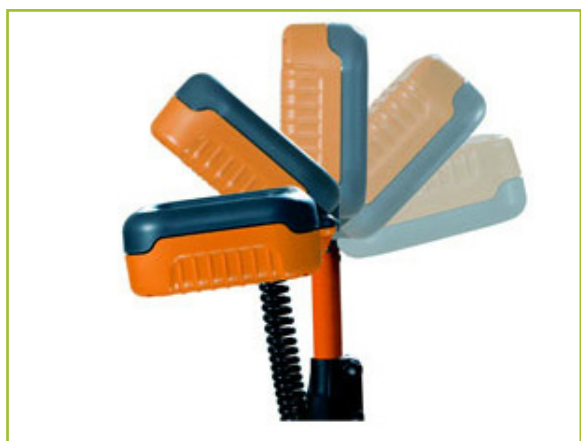

At Hsecurity designing a lighting system that's safe to use in volatile situations isn't optional. It's fundamental to our philosophy.
